ABOUT THE LABDS TEAM

LabDS and Mobile Healthcare Facilities has teamed together to present a rapid deployment solution for government agencies in response to the Coronavirus Disease (COVID-19). With nationwide capability, we can support government agencies and healthcare systems with the proper mobile lab units, processing centers, isolation units, and temporary lab equipment.

Your mission is our mission. We'll work closely with you to deploy the proper infrastructure to help quarantine the virus and support the prevention of community spread. Let us be your solutions partner to help you move your mission forward.
